

# Recent Developments in xia2

Strubi early 2012 update

Graeme Winter

Diamond Light Source

1 March 2012

# Overview

- CCP4 2012 presentation
- Current state of multi-crystal analysis
- Removal of frame count limitations
- Conclusions & plans

# Current state of multi-crystal analysis

- Developed over 1 year or so
- Hiatus for most of that time
- Still very rough around the edges
